CABLE AND DIAMOND MOTIF

Each square corresponds to 1 stitch and 1 row

TENSION
12 sts and 16 rows measure 10cm square over stocking st with 8.00 mm needles.
Take time to check tension before starting work: it is essential to work to the stated tension to achieve success.

INSTRUCTIONS HAT
With 8.00mm needles cast on 60 sts and, for lower border, work 16 rows in reverse st st. Then work **18 rows** in stocking st, then cont in st st and AT THE SAME TIME shape crown, decreasing 6 sts evenly spaced across a row as follows: **19th row:** K7, * K2 tog, K8; rep from * 5 times, K2tog, K1. Rep these decs every following alternate row 7 more times, making decs exactly above previous decs. Leave on needle the rem 12 sts. Cut yarn, leaving a long end. Insert end into the yarn needle and thread it through rem sts, draw up tightly and secure on WS of work. Then sew side seam (the first 16 rows on RS for border). Fold rev st st Border on RS. Sew pompon on top.

INSTRUCTIONS SCARF
With 8.00mm needles cast on 39 sts and, for starting border, work 7cm K1, P1 rib. Cont to work as follows: 3 sts in st st, 23 sts with Cable and Diamond Motif (see Chart and Key), 10 sts K2, P3 rib and 3 sts in st st. When 60 rows have been worked (approx 38cm) stop working Cable and Diamond Motif (ending with 5th row rep of Diamond) and work the 23 sts of Motif as they appear, i.e. 4 sts in rev st st, 2 sts in st st, 4 sts in rev st st, 2 sts in st st, 4 sts in rev st st, 4 sts in st st, 3 sts in rev st st. Cont to work as established for 105cm approx, then resume working Cable and Diamond Motif but in the opposite direction, so that the patterns of Cable and Diamond mirror the previous ones. When Scarf measures 188cm approx from beg, for ending border, work 7cm K1, P1 rib. Then cast off.

Note: wash garments carefully at low temperatures, with a very little fabric softener. Lay the garments to dry on a flat surface, without ever hanging it.
