Yoke: using 4.00mm circular needle with 40cm cable and two yarns held together cast on 109 sts and, making sure that sts aren't twisted, join to work in the round as follows: slip 1st stitch from right needle to left needle, then pass last st over slipped st: 108 sts remain. Place stitch-marker on right-hand needle before this st to indicate round beg. For neck border work 8 rounds K1 tbl, P1 rib (corresponding to 3cm). Change needle and with 4.50 circular needle with 40cm cable cont to work in Fair Isle (Norwegian Motif) st st, following diagram and key and keeping in mind that the diagram shows the rounds with the increases BUT that the increases are not represented on the diagram. Work the rounds with the increases as follows: **1st round with incs:** * K3, M1 (=pick up horizontal yarn between last st and next st and knit into the back of it: 1 st increased), K3, rep from * to end: there are 126 sts. **12th diagram round** (round with incs) * K3, M1, rep from * to end: there are 168 sts. **20th diagram round:** (round with incs) * K2, M1; rep from * to end: there are 252 sts. **Note:** when the number of stitches makes it necessary, take the circular needle with 100cm cable. **34th diagram** round (round with incs): * K6, M1; rep from * to end: there are 294 sts. **43rd diagram round** (round with incs): * 21, M1, rep from * to end: there are 308 sts.
